### CONFERENCES, EVENTS & HOSPITALITY

Berry Marquees provides exceptional temporary structures to enhance your company's event. Impress your clients, delight your guests, or reward your employees with a structure designed specifically to your needs, in keeping with its environment and purpose, and reflective of your brand identity.

Our marquees can be hard, clear or glass sided, or over branded with your logo or company colours. Interiors may include climate control, hard level floors, integrated facilities and may extend outside with decking style balconies or patio space.

### STAND OUT FROM THE CROWD

Berry's long and successful working relationship with buildings of national importance such as, Historic Royal Palaces, Lancaster House, properties of the National Trust and Westminster Abbey, is built upon a deep knowledge and understanding of the care and attention to detail for the environment in which they are working.

Every venue, has its own specific requirements and Berry plans its operational approach upon sensitivity to these individual demands; from architectural significance to security implications and from crowd control and safety to overnight installation issues.

## conferences

### ENERGISE, ENGAGE, INSPIRE

Berry Marquees understands that successful modern conferencing includes wellness essentials such as daylight, an inspirational setting and exceptional facilities.

Our marquees create a bespoke conferencing space designed incorporating all these elements plus the specific requirements of your individual programme; including lecture theatres, breakout spaces, workshops, catering, integrated wash rooms and networking zones, even exterior decks for cocktail hour or a ball room for the post event dinner & dance.
